

Hello Dear People-

Yes, Amazing!

Thanks to all 78 of you, we raised the 21k!!

I am extraordinarily grateful for all your contributions, support and insights.

In the slow choreography of financial institutions, I have no definitive news to report; (hence the lateness of this note, as I was hoping to hear and could say, "yippee" to everyone.)

Suffice it say, I am on the "chess board" and it is their move.

Two Things:

Shortly, I will be sending out an update/thank you to my entire list

and would like to include a list of contributors.

I have spoken to many of you and inquired if this was amenable; (no amounts, just a list of diverse and wonderful folk.)

Additionally, if you or your organization has a website (s); it could included as a link... in the interest of synergizing our common endeavors.

I would value hearing from you if I may include your

name (and/or organization)

and sending along your link (s), if appropriate.

Secondly, there will be a gathering
at some point, mid fall here on my land,
to thank and celebrate all those who have participated in this
appeal...

a likely date is Sunday, October 23.

More updates to follow.

As always, if any of you would like more information;
I am happy to connect with you directly!

Thank you from my deepest heart, dear friends!

Sincerely,

Kathleen
